

INTELEX® CORPORATION  
PAST MASTERS® SERIES

THE FRANCISCAN TRADITION

The Franciscan Institute, located at St. Bonaventure University, engages in three principal areas of scholarly concern: teaching, research, and publication. Its publication program has long been recognized for its critical editions and translations of leading medieval Franciscan philosophers and theologians. In this first group of texts from the Institute, *The Franciscan Tradition I*, InteLex is proud to present critical editions of Latin texts from Duns Scotus O.F.M. (1265-1308) and William of Ockham O.F.M. (1287-347), as well as English translations of the works of St. Bonaventure (Giovanni di Fidanza O.F.M., 1221-1274) and Duns Scotus.

InteLex already offers important texts from the Franciscan tradition: *Francis of Assisi: Early Documents*—the foundational texts of the order—and *William of Ockham: The Work of Ninety Days: A defense of Franciscan Poverty against Pope John XXII*.

Future publications will include texts in Latin and English translation from friars such as Guidonis de Orchellis (d. 1230), Henry of Ghent (c. 1217-1293), John Pecham (13th century), Marcus of Orvieto (13th century), Peter of John Olivi (1248-1298), Peter Aureoli (c. 1280-1322), Walter Burleigh (1275-1337), Petrus Thomae (c. 1280-1340), Adam de Wodeham (c. 1300-1358) and Henrici de Werla (c. 1400-1463).

InteLex Corporation's *Past Masters* series encompasses the largest collection of full-text electronic editions in philosophy in the world. The series features significant collections in political science, religious studies, education, French and German studies, sociology, philosophy of science, economics, and classics. InteLex acquires and develops definitive editions of the full corpora of the seminal figures in the history of the human sciences, including their unpublished texts, articles, and correspondence. The *Past Masters* series has opened a new and exciting chapter in the history of scholarly research, and is now being utilized at over 200 research libraries in North America and Europe, and at over 1300 institutions in 46 countries worldwide.
